History

A premier institution of education like the Rayat Shikshan Sanstha, known and honoured far and wide, not only at the national level, but at the global level too, needs no introduction. The institution itself is regarded as a noble mission, a noble cause, so earnestly and so endearingly pursued by its founder- father Karmaveer Bhaurao Patil, the educator of the educators and his legendary wife Sou. Laxmibai Patil with her exemplary sacrifices made to turn the mission into a reality.

The Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution, late Dr. Karmaveer Bhaurao Patil, was a man of the masses who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste-hierarchy, money-lending, illiteracy, untouchability, superstitions and social and economic inequality. Throughout his life he tried to translate this belief into reality. He was the champion of the poor, the weak, the dispossessed and left no stone unturned for their upliftment. He was a great humanitarian who endeavored hard to educate the masses to bring a kindly light of hope in their lives of misery and ignorance. He realised that the social ills could be remedied through the education of the masses alone and laid the foundation of the Rayat Shikshan Sanstha by opening a Boarding House at Kale (Tal-Karad, Dist-Satara) in 1919. Soon, however, in 1924 he shifted the head-quarters of his educational institution to Satara.

Biography

Dr. Karmaveer Bhaurao Patil was born on 22 September, 1887 at Kumbhoj, in the Kolhapur district of Maharashtra. His native place is Aitawade Budruk., Dist. Sangli. He came from the tenacious Jain family but rejected its rigorous religious rites and fought all his life against the social ills that impede the secularist growth of society. During his school days, he came under the direct influence of the then king of Kolhapur, Rajarshi Chh. Shahu Maharaj who was a staunch advocate of social equality and great promoter of education for the backward communities of Maharashtra. Another great social reformer from whom, he drew inspiration was Mahatma Jyotirao Phule. While working at Ogales, Kirloskars and Coopers, Bhaurao would save his time to devote himself to the activities of Satya-Shodhak Samaj. He would perform Satya Shodhaki Jalasas in the villages of Maharashtra and awaken the people to the dire consequences of the social evils of the time. He realised that the social ills could be remedied through the education of the masses alone and so laid the foundation of the Rayat Shikshan Sanstha by opening a Boarding House at Kale (Tal-Karad, Dist-Satara) in 1919. Soon, however, in 1924 he shifted the head-quarters of his educational institution to Satara.

It is a significant coincidence that Mahatma Gandhi's Freedom Movement and Bhaurao Patil's Mass-Education Movement started functioning at about the same time in the year 1920. Bhaurao first saw Gandhiji at a public meeting in Bombay, in 1921. He was stunned to see Gandhiji only in a loin-cloth at the huge rally. So deeply was he impressed that he resolved to wear khadi for the rest of his life. Mahatma Gandhi was struggling hard to attain the political freedom for the country. Karmaveer Bhaurao was rebellious by temperament but revered freedom.

Bhaurao was uncertain as to whether political freedom or social reforms should receive prime concern, till the Kamberi Satyagraha of 1930, but thereafter he devoted himself fully to the cause of mass education. In his view, education is the means to empower the masses to enjoy the fruits of freedom and to emancipate them from social, economic and cultural slavery.
