

New Entrepreneur Camp (नव उद्योजक शिबीर)

Introduction:

Students have had the privilege of receiving guidance from an entrepreneur who specializes in the field of identifying entrepreneurial prospects, offering valuable advice, and highlighting potential business opportunities. This guidance is provided under the purview of the Student Development Board of Savitribai Phule Pune University.

The college has effectively organized the Nav Udyojak camp in collaboration with the university's Student Development Board. This event has successfully shed light on a range of business opportunities across different sectors. Notably, the camp has focused on diverse industries such as laboratory business, dairy business, milk processing industry, as well as the production of milk, curd, cheese, lactose-free milk, and even insights into the share market.

Throughout this event, students have benefited from the expertise of knowledgeable individuals within these industries, who have provided instrumental guidance. This initiative has contributed to enhancing students' understanding of various entrepreneurial avenues and business prospects.
