

Certificate Course in Basics of Competitive Examinations

TEACHER ELIGIBILITY TEST WORKSHOP

EXAMINATION CELL

NOTE:

The Government of Maharashtra has made Teacher Eligibility Test mandatory for becoming a teacher at primary and upper primary level from year 2015. Also, the Central Teacher Eligibility Test has been made mandatory for becoming a teacher in a Central government sponsored School.

GOAL:

1. To provide guidance of expert teacher.
2. To provide a conducive environment for the Teacher Eligibility Test.
3. To provide necessary reference book for Teacher Eligibility Test.
4. Conducting practice exams in a supplementary environment for the Teacher Eligibility Test.

CONTEXT :

Swami Sahajanand Bharti College of Education, Shirampur is situated in rural area. Most of the students admitted in this college are from rural areas. As Swami SahajanandBharati College of education is a teacher training college, training in becoming a teacher is imparted mainly from this college. Due to this major reason B.Ed students have less knowledge of competitive exams. The students also felt that they did not know much about the format, syllabus and scope of the Teacher Eligibility Test. It was also found that the students were not very enthusiastic and alert for this test. These students do not get the required and quality guidance for the Teacher Eligibility Test. Therefore, the number of students who pass the Teacher Eligibility Test is low.

Swami Sahajanand Bharati College of Education has experienced teachers. Also the college library is well equipped with reference books. Hence a one week workshop is conducted every year in the college. Because of that the students from rural areas can get the guidance of teacher eligibility test examination easily.

THE PRACTICE:

1. Held Meeting and the format of the workshop were decided.
2. Created a planned schedule of workshops and instructed and encouraged students to participate in the workshop.
3. Experts gave three days guidance to the students regarding TET/CTET exam.
4. Conducted demo TET/CTET exams for students for the next one day.
5. Resolved the doubts of the students by having a positive discussion on the daily Exams.
6. An average of 39 students attended the workshop per day.

PROBLEM ENCOUNTERS:

1. Difficulties to provide enough time from regular scheduled.
2. Difficulties to power cut & internet facility.

EVIDENCE OF SUCCESS:

1. Workshop notices and schedules. 2. Certificate of TET/CTET qualified students.
2. Photographs of the workshop. 4. 10 Students have qualified CTET Exam.

RESOURCES REQUIRED:

1. Resource Persons 2. Reference books regarding TET.
2. TET/CTET exams question papers & OMR sheets. 4. Computers with good internet speed.
1. 5. Classroom & Library facilities
