Everything is Good ,no any suggestions

The institute should more focus on developing students personality and overall growth and should give innovative projects and assignments which require less writing work and acknowledge more student's creativity.

Project and assaiment should not become more complicated for the student.

Project and assignment should not bacame more complicated for the studant

Project and assignment should be not become more complicated for the students

All the facilities are Available in the institution

Projects and assignments should not become more complicated for the students,

Teachers should check , wether students have learnt the particular concepts from the syllabus.

.

Teachers are very polite and cooperative

The management of the organization is good

Teacher should visit internship program sometimes, practical work should be more than written work,internal evaluation process should be fair

- 1)Teachers should visit internship programme sometimes
